

October - December 2020

Dear Pastor and Church Family,

We rejoice in the Lord for the privilege of serving Him these past three months. We are very grateful for your prayers and participation in what the Lord is doing here in *Sinaloa*.

October-November

We had a missionary stay in Alhuey a couple of days. He was able to preach to our youth. We enjoyed our time with him and his family.

Also, the women's fellowship has had good attendance. It has been nice to start different activities up again. We have used these months to keep up the church building. One Saturday we had a church work day, and a good number of people came. All the projects were completed by noon.

HORNOR FAMILY

December

We are grateful for another year of life the Lord gave to my wife on December 1. On her behalf, she also thanks the churches that sent her birthday e-cards due to the pandemic.

We were able to go Christmas caroling here in Alhuey. We passed out tracts, invitations, and candy at each household. Afterwards we all enjoyed hot chocolate and pastries at church.

Our Christmas program was Sunday evening, Dec. 20. Due to COVID-19 we were unable to promote the event because of limited space and the number of chairs we could use. It was well attended, and we all enjoyed rejoicing about Christ's birth with special music from the kids and teens, a Christmas message, and then supper on-the-grounds.

This year was kind of different because on Dec. 24 a young lady from our church turned fifteen years old. Normally everyone spends time with family around dinner time, but that evening we were able to celebrate with her and her family and

with all the guests that attended. I was able to preach an evangelistic message and encouraged her in her walk with her Lord and Savior.

For New Year we had our normal prayer meeting that Thursday with a special time for testimonies of God's goodness for the past year. Afterwards, we all stayed for a potluck dinner. Just a couple of families stayed until midnight to bring in the new year.
