

HORNOR FAMILY

April - May 2020

Dear Pastor and Church Family,

We rejoice in the Lord for the privilege of serving Him these past two months. We are very grateful for your prayers and participation in what the Lord is doing here in *Sinaloa*.

APRIL

Since our return in March, our family has been in quarantine. Our community has taken the normal restrictions given by the government, and as a church we have been following them.

Our church services through Zoom have been successful. We praise the Lord that our people have adapted well and are connecting for each service. The ladies fellowship and men's prayer meeting on Saturday mornings continue, and we have had good participation in both.

My wife started a class for young ladies every other Monday. Girls from our youth group and others from sister ministries have been participating.

April 30th here in Mexico is Child's Day, and as a church we wanted to do something special for the kids. My wife put together baskets with candies and a picture collage of all the kids. She also went to each of their houses to give them their Child's Day gift.

MAY

This month we have been taking advantage of the fact that we are not meeting in our church building, and we have been able to do some needed maintenance work both inside and out. Some of our youth have been willing to help out, and we are grateful for their help.

Again, as a church we tried our best to do something special for our mothers for Mother's Day. The church purchased flowers, my wife added some decorations, and we personally took them to each of the mothers in our church.

I also had the joy and privilege of preaching to a small church in Mora, Spain, via Zoom. A pastor friend of mine invited me to preach on a Wednesday, and it was a blessing to see him and meet their people.

Praises/Prayer Requests

- For provision and diligence as we continue to work on different projects at the church. This week, Lord willing, we will paint the sanctuary.
- For God's continued protection for the elderly in our church. Thank the Lord no one from church has been infected with Covid-19.
- For wisdom and direction from the Lord as we consider when and how to reopen church services and as we get acquainted with the new normal.
- For various families that are having trouble with their marriages.
- For wisdom as we seek how to minister to our people amid the various social restrictions.
- That we would continue to emphasize our mission to reach our community for Christ while adjusting our methods due to the coronavirus.
- Pray for our church people that they will be faithful in participating both in the services and activities we hold through Zoom.
- We want to thank the churches who have sent birthday cards for our kids.
- Please send support checks to the new address below.
