

June - July 2020

Dear Pastor and Church Family,

We rejoice in the Lord for the privilege of serving Him these past two months. We are very grateful for your prayers and participation in what the Lord is doing here in *Sinaloa*.

JUNE

We have continued church services through Zoom. Attendance has been pretty good. For Father's Day, the church gave each father a cup of chocolate wafers to eat with coffee.

Some of our youth graduated from elementary and junior high. I was able to congratulate them at their house on behalf of the church family.

Also, work has continued at the church. We decided to take down the border on the walls and replace it with a wooden one.

Before

HORNOR FAMILY

After

My wife and three other ladies from church went to visit a lady (Loyda) who faithfully attends the women's fellowship. They had a good time of fellowship, and my wife was able to share a Bible verse with them.

JULY

Sunday, July 12, we reopened the church doors and had our first service since the lockdown in March. The service was just the morning worship service at 11:15 a.m. Also, in compliance with government recommendations, only certain people were able to attend. We are thankful for the ones who did and for being able to hold services.

Two Sundays later, we had the privilege of having two first-time visitors. It was encouraging to see the Lord work, even in these different times when Covid 19 has limited, in a way, many parts of ministry.

I was invited by a pastor friend of mine to preach one day for a virtual camp his church in Puerto Rico had organized. It was a joy and privilege to share God's Word and to have a small part in the Lord's work in the lives of those young people.

Praises/Prayer Requests

- On behalf of my family, we want to thank Tabernacle, Faith Chapel, and Faith Baptist for remembering our birthdays and anniversary.
- For God's continued protection for the elderly in our church. An elderly brother from the church-plant in *Guamúchil* passed away. Help us pray for his wife and son.
- For wisdom and direction as we continue to have the morning worship service on Sundays.
- For two young ladies in our church who are praying about studying in IPES (Bible college).
- For the testimony of Christ through our church because there have been many deaths due to Covid 19 in our town.
- Pray for our church people that they will be faithful in participating both in the services and activities we hold through Zoom.
- Please send support checks to the new address below.
